

PSTS Group handles five million tons between Jan-Dec. 2010

PSTS Group, a leading port support logistics services company is based in all the south-eastern ports of Tuticorin, Chennai, Ennore, Gangavaram, Karaikal, Krishnapatnam, Vizag apart from having presence in Cochin and Bangalore. Between Jan-Dec.2010, PSTS Group has handled varied cargoes such as coal, coke, fertilizer, granite, copper concentrate, rock phosphate, bauxite steel coil and project cargo.

Mr.T.Uday Sankar, Chairman & Managing Director says, " *Out of the total five million tons that was handled this year, the highlight is that PSTS Group has handled one million tons in just 45 days between 2ndMay- 15th June 2010, which is a record of sorts in handling diverse cargo*". Calling this achievement a pure team effort, he said, " *The daily 'coffee meetings', weekly 'macro meetings' and monthly 'review meetings' of the teams across offices helped track performance continuously to achieve this feat!*"

He also congratulated the team leaders Mr.T.Vel Sankar, JMD of PLPL in Tuticorin, Mr.J.Ganesh Ram, JMD of PLPL in Chennai / Karaikal and

Mr.TJ Kannaram of PHLS, Chennai / Karaikal for investing their mind time in this effort that has helped drive the entire team perform better than the previous quarter.
